

Faculty Meet the experts

Extraordinary minds

Our students' high expectations are matched by Henley Business School's enviable breadth of expertise among its 150 academics. Henley faculty are specialists in their fields who bring their industry knowledge and passion to the learning environment.

Dr Anne Dibley

is Associate Professor in Marketing, specialising in strategic marketing, brand positioning, B2B relationships and customer experience. A graduate of Cambridge University and Cranfield School of Management, she has held numerous international brand and marketing roles for blue chip clients. Dr Dibley is Head of Post-Experience Programmes at Henley, and has a particular focus on embedding learning on sustainability across programmes.

Dr Ana Margarida Graça

is Lecturer in Leadership and Programme Director for the Global Executive MBA, and responsible for coordinating all teams involved in the programme. Ana also supervises dissertations at all levels across the business school, and is co-coordinator of the MBA Dissertations Supervisors and Moderators team. With a background as an Organisational Psychologist with experience in quality assessment in the public sector, her research is based on team leadership dynamics in different contexts.
